

INFORMAL CHANNEL 3 NET SCRIPT

Use this script as a guide for the Local CH3 Nets Do not use your FCC call sign on the non-licensed comms (FRS/MURS/CB), use your AmRRON Code Name.

"Good evening (morning/afternoon), this is _____
<your AmRRON code name> with AmRRON, the American Redoubt Radio Operators Network, and the CH3 project, conducting a PRACTICE communications net on _____ (CB/FRS/MURS) Channel 3. You can learn more about AmRRON by visiting www.AmRRON.com (Alpha, Mike, Romeo, Romeo, Oscar, November.com)"

-Break-

"This is _____ <your AmRRON code name> conducting an AmRRON PRACTICE communications net on (CB/FRS/MURS) Channel 3. The Net Word of the Week is _____-__. I say again (phonetically) _____-__. ". I will now begin check-ins. Anyone wishing to check-in, come now."

- Wait 10 - 15 seconds for a response. If you hear a response, check them into the net and continue asking for check-ins.

"Is there anyone else wishing to check in to the AmRRON CH3 Net?"

<Pause and wait for approximately 10 -15 seconds>

- If you hear no other stations coming back to you, then continue:

"Nothing heard. If anyone can copy me and you are unable to check in, you can do so by going to www.amrron.com/checkin (checkin being one word)and let us know you heard the net. This is _____ <your AmRRON code name> conducting a PRACTICE communications net on (CB/FRS/MURS) Channel 3, are there any check-ins before I close the net?"

<Pause 10 -15 Seconds. Respond and take check-ins if there are any>

"This concludes this AmRRON CH3 emergency communications net. This is _____, CLEAR."

NOTE: This is a guideline for conducting PRACTICE CH3 nets. Modify it as needed for use in your area in a real-world emergency communications situation.
