

CQ CQ AMRRON. CQ CQ AMRRON.

This is (Your Call), my name is ___ and I will be your net control station for the AmRRON _____ (state band and region) Regional rolling net.

Do I have a station with a good copy to serve as ANCS? Showing _____ as ANCS

This net meets every 1ST and 3RD Thursday of the month at 1800 local time on 7.238MHz LSB, plus or minus due to QRM.

AmRRON is the American Redoubt Radio Operators Network, and is a nationwide disaster preparedness network made up of patriot-oriented radio operators.

I spell AmRRON phonetically... Alpha.. Mike.. Romeo.. Romeo..Oscar..November.

You can learn more by visiting us at www.AmRRON.com.

This is only a practice net. To learn more about our emergency communications plan, you can find the AmRRON Signals Operating Instructions on our website.

We are at Amcon level ____

This is a directed net, so please hold all traffic until the Net Control Station calls for it. Emergency traffic may break in at any time.

Is there any priority traffic that needs to be passed at this time?

<pause for about 5 seconds>

The NET WORD OF THE WEEK is _____ I say again, _____

I spell... _____

If you are monitoring only, you may still check in by going to www.amrron.com/checkin with checkin being all one word.

Specific instructions can be found on our website.

<Break>

At this time we'll take checkins by State.

Please provide your call sign, your state, and the Net Word of the Week.

I will check in stations one at a time.,

(List States however works best for you.)

<Take Check-ins>

<Acknowledge each station, confirming their call sign and state>

Allow ANCS to make a call for late or missed stations.

This is _____, Net Control Station for the AmRRON 40m _____ Regional rolling Net.

Are there any other check ins?

<Pause for about 10 to 15 seconds>

Any relays, please call now. <pause>

Check with ANCS <pause>

(Pass any information now.)

I would like to thank everyone for your check-ins.

Is there any traffic to pass?

<pause for about 5 seconds>

I would like to thank everyone for checking in. I would also like to thank ANCS.

Go to AmRRON.com to learn more about the AmRRON net schedules.

This concludes our net.

God Bless the republic, and 73.

This is (Your Call) clear.
